RE: Elmhurst Football Reunion

Dear Early 60's EC football players and friends;

This letter is a result of a conversation I had at the 2003 Homecoming game with Willie Anderson, '63, and Jim Leamon, '63. We were talking and thought it would be great to try to get a bunch of players together from that era.

One reason I'm writing now is to plan for the year. This is the 40<sup>th</sup> reunion for the Class of 1965 and they had a large number of players on the teams. Therefore, I thought if several of them came back for their class reunion, we would have a core group from which to begin.

I've been in contact with the Alumni Office and the College is planning an All-Football Reunion for October 1<sup>st</sup>. However, as I have stated, with the Class of 1965 having a large number of players, I feel that Homecoming would be a better time for our group to have this reunion. The Alumni Office is planning events for the Class of 1965 and is concerned that the class activities may conflict with new events.

I am sending a questionnaire, asking a number of things: first, would you be able to come to a gathering on October 22<sup>nd</sup> for Homecoming? Secondly, if you can attend, would you rather get together on Friday night, Saturday before the game or Saturday after the game? It is very important that you return the questionnaire so that plans can move forward. Please send it to the Office of College Advancement by Friday, September 2<sup>nd</sup>.

Enclosed is a list of the alumni receiving this letter, along with a list of "missing" alumni from this group. If you have addresses for the missing or notice that we've overlooked another player, please let myself and/or the Alumni Office know and we'll forward it along.

Thank you for returning the questionnaire and I look forward to seeing you this fall!

Sincerely yours,

*Don Taylor*
